

Please read and review the following policies on our website:

<https://www.crosswindsaviation.com/pilotguide>

Rental Insurance is mandatory to rent from Crosswinds Aviation fleet. Renters are responsible for up to \$10,000 in hull damage. Please get minimum of \$10,000 hull coverage and whatever personal injury and property damage coverage that adequately takes care of you personally. Most clients choose a minimum of \$250,000 each occurrence/ \$25,000 each passenger liability coverage. You can find renters insurance providers in the pilot guide link above on our website.

I choose to purchase renters insurance from a third party provider (AOPA, EAA, Avemco or other aircraft rental insurance company) and I will send my policy to info@crosswindsaviation.com within the next week from the date below.

I choose to opt out from purchasing renters insurance. I understand that I will be held accountable for paying out of pocket up to \$10,000 in hull damage if that were to occur when I rent the aircraft. I will not have any liability coverage under the flight school policy.

Agreement

I have read the Crosswinds Aviation General Information & Policies and I understand all of the information within the guide; specifically, the Insurance, Rental Agreements, the Aeronautics Code of the State of Michigan and of the airports and Rates of the aircraft on the Crosswinds Aviation Flight line. By signing below, I agree to adhere to all the terms and conditions within the guide and will abide by all the recommended practices and procedures. If I have any questions about anything in the guide I will ask someone on the Crosswinds Aviation Team.
